Kirkman aapet Town Municipality

The following Byelaws have been framed by the Kirkman aapet Town municipal Council for introduction of the Compulsory Vaccination with the limits of Kirkman aapet town

1 The town of Kirkman aapet will for the purpose of Vaccination be treated as one circle

2. The Local fund dispensary shall be the Vaccination depot

3 The Sub Asst. Surgeon in charge of Local fund dispensary shall be the Superintendent of Vaccination

4 The Local medical officer shall perform Vaccination —

5 The Superintendent shall reside within the limit of the town —

6. There shall be affixed at the depot a board showing in English and Kannada the hours at which Vaccination shall be done at the depot

7 Vaccination shall ordinarily be done at the Vaccination depot on all days except Sundays and

and other authorised public holidays between the hours of 8 and 10 in the morning —

8. The Superintendent shall if so required by the head of the house-hold Vaccinate the members thereof at his residence on such days as he may find it convenient to do so, provided that during epidemics of small-pox or when an out-break of the disease is pending, the Superintendent shall lose no time to vaccinate or re-Vaccinate persons

No fee shall be Charged for the Vaccination done at the depot and for vaccination of women and Children under 1 year, done at any private residence within the municipal limits In all other cases a fee of two annas per case and not exceeding four annas at a time per family may be charged.

9 — The President of the municipality will furnish the Superintendent with the following

(1) A list showing the number of houses in the municipal area and the number of unprotected

the time Vaccination is declared Compulsory in the town.

(b) There after within 10 days after the close of each quarter a list showing the number of unprotected immigrants into the town, who have lived for longer than a month therein

(c) A monthly Statement showing the particulars of births in the town and of all deaths among Children -

10 The Superintendent shall maintain a register showing every house, with the name of the unprotected persons therein with a space for addition from time to time of fresh unprotected cases and with a column for entering the date and the result of Vaccination —

11 The Superintendent shall maintain a Vaccination register in the form prescribed by Government a register of notices and register of Complaints lodged before the Magistrate

12 The Superintendent shall Submit before the 5th of each month a monthly report of

Sanitary officer and the President of the Municipality.

13 - The superintendent shall bring to the notice of the President any remissness of duty on the part of the head of a house hold calculated to impair the efficiency of the vaccination administration. The President shall take steps to deal with such cases.

14 The superintendent may grant certificates under rule 6 and 9 of the Vaccination Rules.

15 The Sanitary Inspector and the members of the Municipal Board shall render every help to the superintendent in the discharge of his duty.

16 For purpose of this bye-law, a form as appended to these bye laws shall be supplied by the municipal Council to head of every family and it shall be the duty of such person to furnish correct information by filling up the form and to deliver or send the same to the Secretary (3) days of its receipt to the President or the Vice President of the municipal Council.

Any person who wilfully

refuses or fails to supply any information or furnishes information which he believes to be incorrect or does not believe to be true shall on conviction before a magistrate be punishable with fine which may extend upto Rupees 20;—

Note By "protected persons" are meant-

(i) Persons who present distinct marks of small pox, care being taken not to confound pitting by itself with that of small pox

(ii) Persons who bear at least two typical vaccination marks, if under (i) the pitting is of doubtful origin or under (ii) the vaccination scars are imperfect. Such persons should be returned as unprotected
